## System Requirements:

- Requires a powerful computer (2 GHz or faster processor) with 2GB or more memory.
- The game will run on Windows 7 64-bit or Windows 8 64-bit.
- You need a DirectX 11-compliant video card.
- You need an Internet connection (a broadband connection and an active Internet connection are recommended).
- For the best experience, we recommend you have at least 16GB of free hard drive space available. For information about Microsoft DirectX 11 requirements, see [www.microsoft.com/windows/directx](http://www.microsoft.com/windows/directx)
