Jan 24, 2019. Warhammer 40, Kill Team: In the 41st millenium, the war continues. But not, not by the book, is there an edge to the. Corporate CALL FOR SITES We are calling for you to volunteer and become a volunteer for Uneath! We are an international association of practitioners and students of Earthworks and offer a variety of different ways to support the community of earthworks. You can help building the support base by becoming a volunteer yourself. If you have an interest in earthworks and would like to get involved we look forward to see you at one of our events! Be part of something bigger than you! Together we are building up a network of passionate and committed earthworks practitioners all over Europe, and beyond. The more members we have the more benefits we can offer. We offer several types of membership: – If you are a complete beginner, just looking for to get yourself started, or get to know the community of earthworks, we have a Beginner Package. This is perfect for you! You do not have to be fully trained as an earthworker or follow any earthwork course. – If you are a more experienced earthworker, looking for a more proactive working environment you are invited to join a Group. Group members get all the benefits of member packages, meet a lot of different earthworkers and share your knowledge and expertise. – For those who are fully trained in earthworks, interested in expanding your own skillset, knowledge and contacts within the community of earthworkers, then we offer the full member package. To get to know more about the benefits of these different packages and to register for free please see the membership page. Once you have selected your type of membership, you will get an account in your member profile in which you can save your user name and password. You'll also get direct access to the member forums as well as member-only content on our website. As part of the membership packages you get access to a restricted forum for free, where you can discuss the topics that you like most. On the forum you also get direct access to the members who have commented on your posts. In this way you can get in contact with and perhaps learn from other earthworkers. In addition to the forums there is also a Skills Development program. In this program we offer a variety of different Earthwork elements to help you develop your
