Screenshots Product Reviews Brushes 4 By Proccrobates Brushes Base Brushes Base Brushes Base Posted 01/30/2016 By JG Brushes Base It was a really good set of brushes. The only con that I had was that some of the colors were a bit off to me. YEAH 5 By Advanceme Yes! Brushes! 5 By Calvin L. I never know how good I was gonna be, but i'll just try it with this beautiful set and I came out like... Good Base! 5 By saya2000 It had a great set of brushes! But I would be more than happy with any brush set! But this one is worth it! Brushes for a fantastic price! 5 By Stinis I bought this brush pack to expand my art style and I am happy with the brushes I got. This brush pack is really good! 5 By Dohman This brush pack is worth its price, and I appreciate it's square shape. I do recommend it though, I've been using it for the last month or so since I bought it, and it's been good. Great Product! 5 By Dorfino I had been waiting for this pack for a while now, but I am very happy I purchased it and used it. b7e8fdf5c8

Brush Pot

This pack was inspired by the textures you find in front of you in nature. Like a painter (or mother) artfully arranging flowers from a basket, a gardener's greenhouse, or a garden's flowers; these brushes have been arranged into a Brush Pot to simulate the visual effect of a rainbow. The pack consists of 5 sets of textures ranging in style from very decorative, to more objective and freehand-style. Brush Pot includes: - Foundation - CG Selection - Tipsters - Paint Blox - Bio-Brush Every brush pack comes with: - 500 digital artwork files - All brushes are arranged so you can easily chose and apply by group - All brushes are named and organized by the creator in the same way as in Photoshop. This pack also comes with 1000+ brushes as trial to see if you like them. If you like, you can purchase the complete pack for $20+ shipping after downloading this pack. Please note that it is no longer available for purchase in the original versions on the Brush Pot page.
