Call Of Duty Black Ops Review - How Many Points? This is a review of Call of Duty Black Ops II from the Xbox 360 platform! This game has finally been released, and when I say finally, I mean years after it was first announced, years after you probably wanted it to come out and years after it became apparent that it was going to be a colossal failure. Now that it's finally arrived, is it any good? Continue reading for some honest feedback on this game and some thoughts on whether it will still be worth picking up at this point. While Call of Duty: Black Ops II was pushed back to 2015, it was never before and.....
