### Features Key:

A Quest World as Big as the World Entirely.' Connect a variety of fields seamlessly as if they were just one big field. As you search for hidden items, you will find hidden counterparts in a variety of fields related to the search. Furthermore, you will be guaranteed to meet players from around the world. • Requirement and Growth System Inspired by FACTIONS Online.' Spirit advancement accompanies the experience of the struggles and inclinations of the characters’ hearts. In addition to acquiring marks for the class, the characters develop according to the conditions of a variety of fields, and acquire spirit marks and at the highest rank obtain stats such as attack power and defense power. • Invite Your “Treasure Hunting Friends” You can invite your friends to join the game and gain shared experience on your adventures by combining yourself with them.

When it comes to the structure and content of the game, players will be expecting the standard RPG genre you’re used to seeing—Story, Classes, Battles. However, things are a little bit different here. There is a worldwide united group called the Elden Ring, which will bring about a major change in each player’s journey. The role of the Elden Ring is to activate and guide the character. Characters don’t actually have much of a story, but rather experience a sort of fantasy drama depending on their existing narrative and the current narrative of the Elden Ring’s influence on them. It is anticipated that characters will grow by varying depending on their desires and ambitions. In addition to these features, the game uses cutting edge technology that will bring about an entirely new legend of fantasy to players worldwide.
