The new fantasy action RPG will be released for PlayStation 4 and PS Vita on February 21, 2016. In the new fantasy action RPG, there is no player vs. player combat, but the world map allows for party play, and players can form a party with any of the eight characters in the game. Players will be able to shape their character according to their play style, and as they level up, new powerful skills will become available. Establish and grow a strong party, and take on huge dungeons with the support of up to three other players. This game is a Steam download. The game can be played without a license. Please do not download the game on other sites other than the PlayStation Store. Preorder Preorder the game on PlayStation Network starting on October 3, 2015. The game will be available as a downloadable content add-on for those who already own Dragon's Crown. Add-on *Multipurpose Add-on Play as a Warrior! The Warrior mode lets you play as an original character created just for Dragon's Crown: Monsters continuously appear as you play, and the Warrior mode lets you take on monster dungeons with your original character. Play as a Rogue! The Rogue mode lets you play through an adventure as a Dungeon Fighter created just for Dragon's Crown: Choose from an original character, familiar faces and companions, as well as an array of weapons and magics. * This content is available by purchasing the content pack. Content pack includes the Warrior and Rogue modes, a powerful eight-character party, new enemies, boss enemies, and dungeons. The content pack will be available as a downloadable content add-on for Dragon's Crown: All single-player content and multiplayer modes have been removed from the game. *Please be aware that when playing this content, the player will lose access to the single-player Dragon's Crown story. #PlayStation PlayStation Plus membership, which provides unlimited access to PlayStation Store items, is not required to play this game. Elden Ring Download With Full Crack is available on the PlayStation Store (
