“The Power of the Player’s Body” will alter the way players move on the pitch. You can take advantage of new attributes like CounterAttack, Backheel Agility, Jog Effect and Dynamic Clearance. It’s a revolutionary football experience where players take advantage of their own unique abilities and emerge as leaders with unique abilities and a set of abilities unique to them. “FIFA 22 introduces a dynamic camera system which opens up new camera angles in a range of challenging situations, such as spaces with large players and in very tight areas,” said Peter Bosz. “We want to give players a better insight into the game and explore the universe of possibilities that come with playing in FIFA.” In FIFA Ultimate Team, 100 new Ultimate Cards will be available, including 24 All-Stars in Women’s, 24 All-Stars in Men’s and 36 Gold Ultimate Rare, 12 Augmented Ultimate Rare and 10 Super Ultimate Rare Cards. Fans can compete in the new ULTIMATE TEAM WARS mode. A new career mode, ULTIMATE TEAM LEAGUE, features a new team that you’ll coach and develop over three seasons. Ultimate Team season structure: ULTIMATE TEAM LEAGUE: Best-of-3 mini-tournament system: Four semi-finalists, knockout tournament: Three winners, one loser The first of these is the “FIFA World Cup Scenario,” in which a team plays a series of real-world qualifiers that will take place all around the world. You’ll play in the first qualifying round in three different time zones: Asia, Europe and Oceania. The second round takes place in the same time zones, with the final round being played in one location. Every scenario finishes with a knockout tournament, which will

determine the four finalist clubs. The World Cup Scenario will include ten knockout rounds across the ten first qualifying rounds, including the final four rounds, which will take place in one location. Xbox One X Enhanced, New FIFA 18 Player Ratings Player ratings are returning and players are at all ages are rated on a scale of 1 to 9, which goes from Beginner up to the best in the world. The ratings are based on the predictive EFEFE system that allows you to judge the player's skills on a global scale. Thanks to this system

## **Fifa 22 Features Key:**

- Unlike previous versions of FIFA, FIFA 22 lets you control HOW YOU play. Make the opposition work for their luck as you dictate the pace and intensity of the game using First Person View.
- In the Pass and Move system you'll have a greater freedom of strategy than ever before. The Pass and Move system lets you make a quick, precise pass to open up space for an attacking teammate. You'll now have more ways than ever before to position yourself to make a perfect pass, evade the pressure of defenders, and put yourself in the right place to score at the right time. FIFA 22 introduces "HyperMotion Technology," which uses motion capture data collected from 22 real-life players playing a complete, high-intensity football match in motion capture suits. The data collected from player movements, tackles, aerial duels and on-ball actions is used to power FIFA 22 gameplay. As a striker, improving the accuracy and precision of your headers will enable you to score more of the most important goals of all.
- **FIFA 22 introduces "Exhibition Mode"** - Play as a brand new club, build your stadium and feel the atmosphere of a new era.
- Take on your friends and colleagues in new online modes. Create your own team and take on your mates in custom-made, one-off 4vs4 tournaments. Or, start a new game, invite your friends, and take on them in a 12v12 custom game.
- FIFA's Ultimate Team mode has been revamped for the ultimate experience:
- FIFA Ultimate Team's kit catalog has been expanded to over 11,000 items

- 
- A new offer system lets you improve your players even further with real packs from real clubs, including Premier League, Bundesliga, and Ligue 1
  - Pro Create Mode - Become a Manager - featuring in-game analysis, new formations, new player attributes, and new tactics
  - Online experience and stability optimised for both tablet and mobile
