Elden Ring is a new fantasy action RPG on Android created by Square Enix that lets you challenge yourself against dozens of monsters in an action-packed battle using the highly-acclaimed Yggdra Union game engine. From the game’s beginning, you join a group of adventurers and take on quests in the Lands Between, the area between reality and illusion, to stop the evil overlord from awakening the five goddesses using the Mark of Awakening. • Features During your journey, you can freely explore the vast world while talking to the inhabitants, and you can customize your character using various items, weapons, and armor. You can customize your character to become a strong warrior, a magic user, or one who fights with a sword and shield. In addition, you can choose a style that allows you to develop your character as you go, such as increasing your muscle strength, obtaining magic skills, or mastering disciplines that enhance your techniques. You can combine your sword and shield to form a complete weapon system. With multiple weapons, you can use a variety of attack styles and take on various enemies. While leveling up, you can enhance your physical strength, your hit chance, and the attack power of your weapons and armor. You can also choose a skill from the Guild skill tree or a craftable enchantment. You can obtain a variety of skills using the “Mastery” system that increases the rate of acquisition of skills, learn “Deliberate Enchantments” that can learn a maximum of 2 enchantments and make them more efficient, or learn “Crafts” that reduce the amount of labor needed to learn enchantments. In addition, you can equip a variety of items, such as weapons, armor, or accessories that will help you in battle. You can take a variety of actions to further enhance your combat skills. In battle, you can combine different attacks with various actions, such as using a skill, executing an action during a special attack, or casting a spell. When you use an action that causes you to attack a different enemy, you can use the “action follow-up” system to do a “critical hit” that will result in more damage to your opponent. You can use the “powerful combo” system to increase the strength of your attack. You can improve your defense by using items such as shields and armor to receive less damage. When fighting with

Elden Ring Features Key:

Evolve the world: Create and expand your own city as you play • Morphing of the world: Live, timeless battles in a world with a vast amount of possibilities • Layers of gameplay: Enjoy a wide range of content

Play your way:

- Be sure to choose your play style. The interface can be divided into 3 fields to provide easy confirmation of your actions. The Strategic field helps you make powerful attacks. The Tactical field helps you make high speed, careful attacks. The Technical field helps you focus on your own survival. You can change your field settings at any time.

Enjoy peace and strategy:

- PvP mode and world boss battles Rage and destruction caused by PvP matches and world boss battles touch the scenery in a nice, small way. Please be sure to read the provisions of the relevant item effects when playing PvP matches and world boss battles. With PvP, you will experience thrilling battles in terrifying teams.
- Difficulty modes Untamed, Woesome, Epic PvP allows you to play as either on your terms or as an opponent. Select the difficulty mode that suits you best.

It is important to note that both the game and the service charge a one-off fee. Please do not withdraw the app once the payment was made. We apologize for this and will take a screenshot of this on our homepage.

◆ The Fighters of the Elden Ring ■ Main Character A Tarnished Swordsman who hails from the township of Redfield. ■ Background Story (This story takes place before the start of the game, but the events in this story will affect the routes you can take later in the game. The events occur in a world where the Elden Ring is still in the process of being formed.) The day when Redfield became known to the citizens of the world as the first-ever town to hold a festival. At the start of the festival, the unthinkable happened: one man stood up in the audience and proclaimed himself the god of the city. ■ Characters ■ Sword Arts A Tarnished Swordsman: Majin Kabuto: Inactive since he made a pilgrimage to the Isle of the Goddess on behalf of the swordsmith, he now crafts silver swords in the home of an NPC family. ■ Equipment Lion Sword: Liaodao: Inactive since he went into hiding, the craftsmanship of this monk-at-arms has been inherited by a young man. ■ Guild ◆ Art and Scenes ◆ Cinematic The announcement of “The Elden Ring” was received in a town that stood amid open fields. The main character, Tarnished, has a slow yet graceful manner, and he is very impressed by the approaching train. The town's residents have built a festival for its first-ever year of existence, and the main character walks among the crowd admiring the decorations. Tarnished spots a sword in the crowd, and is fascinated by it. He approaches the person who has it, and it turns out to be a member of the Black Cat Gang, a notorious organized crime group. Tarnished has a conversation with the person, but in the end they try to take advantage of him. Tarnished and the Black Cat Gang chase each other, and the pursuit starts to sound eerily like a war. The main character gets separated from the Black Cat Gang, but at that point, a man with blood on his white clothes sees him. The two men battle it out, and the prize falls to Tarnished, who declares that he will use it to do justice to the town of Redfield. The two fight each other, and it feels like it's
