Serious Sam 4: Planet Badass crack Serious Sam 4: Planet Badass IPL2 Serious Sam 4: Planet Badass is a pretty unique take on the Serious Sam franchise. A few decades into the future, the planet Earth has been taken over by giant robot warriors intent on destroying the human race. You take command of the eponymous Sam, journeying from planet to planet to battle these mechanical monstrosities. To begin Serious Sam 4, you must bring back the original Sam Beckett. All that's required to bring Sam back from the dead is the Helmet of Nabu (a magical artifact). The Helmet transforms Sam into a powerful hero with access to all of his weapons. Along the way, you'll have to kill hordes of

mysterious prehistoric civilization on the mysterious island of Xelir, in the heart of the Florian Sea. Once they reach the island, the crew encounters unexpected challenges and dangers that threaten their expedition, as well as the safety of the scientists working on the expedition. So far, the team has been able to excavate the remains of a small tribe of the cloven-hoofed, long-bearded, man-eating dinosaur. Serious Sam 4: Planet Badass â€” a revolutionary survival horror. The game is set in a post-apocalyptic world, where the human race has been replaced by an army of massive, mutant, mechanical robots. While many shooters feature bizarre aliens or monstrous beasts, Serious Sam 4â€™s
