• The First Fantasy Action RPG to be Made in Korea The development of Tarnished: Soul of the Elements is led by G-STAR Games, a highly-recognized Korean company specializing in RPGs and the development of world-famous games such as Ragnarok Online. It is no exaggeration to say that the first fantasy action RPG in Korea has been designed with the utmost care. • Unique Viewing Experience Tarnished offers a unique viewing experience through its mobile first and world first technology. Players can seamlessly switch between three perspectives: third person, first person, and bird's-eye view by tapping the screen. • Cross-Platform Integration To offer players a consistently high-quality game experience, the game can be played on all Android devices and iOS devices including the latest version of the Samsung Galaxy Note and iPhone. • Deep Social Networking Capability Social networking services, such as Facebook and Google+, can be used to access the game's friend list. Players can also send invitations to their friends to play Tarnished together. Tarnished features three camouflaged viewing modes for a seamless experience. Players can click on the "Continue" button in the upper right corner of the screen to bring up a variety of information and services, such as the friend list, achievements and tutorials for beginners. ABOUT G-STAR GAMES G-STAR Games is a leading Korean company specializing in the development of online games. With headquarters located in southern Seoul, G-STAR has been developing and publishing online games that are becoming increasingly more popular, such as Ragnarok Online, Aion, and Lineage II. Recently, it has expanded its online business outside of Korea with Lineage II: Revolution's launch in Singapore and Malaysia, and Aion's launch in China. It is also currently collaborating with external developers on games, such as Darkfall, Blade & Soul, and Lineage II Revolution. G-STAR is a company committed to growing the global market of online games by making its games available in as many markets as possible. G-STAR Games are always looking for talented and ambitious individuals who share the same drive to push the boundaries of online gaming. G-STAR Games seeks to develop and publish games with the best products and services in the online gaming industry. "What makes Elden Ring so different is the simple, yet sophisticated visual presentation. The visuals are a blend of traditional 2D views with well-designed 3D environments. The graphics work in harmony with each other for a beautifully-rendered world." -@avelengo_eldergaming "If Final Fantasy Tactics had a baby with Ultima IV, then the result is Elden Ring." -@kamilugrm "RPG fans will find Elden Ring to be a rather unique fantasy role-playing game that just might be for them." -@Valkyrie135 "Unlike other RPGs, Elden Ring gives you the freedom to create your own character. You decide the look and stats of your character. You also decide where you go and how to develop your character to suit your play style. The result is a unique experience in the RPG genre and a game with huge potential." -@isamirish "Playing it with a friend is a blast. Both of you are trying to work together to fill the board with the strongest cards." -@duckdrarlee "Elden Ring is a refreshing twist on traditional RPGs. For players seeking a different experience, Elden Ring is not to be missed." -@NateWelch "Elden Ring is likely to be a highly replayable, fun RPG experience." -@s2men "Elden Ring is a game that will take you to a new world." -@kelukeinfinity PRODUCT IMAGE: LINK: NIO's theme music: "Overture for String Orchestra" by Frederic Chopin Song used for the background track in the trailer: "Grand Canyon" by Birdy Nam Nam (Fool's Gold 2016 Theme) by Jordan Slayman NIO's new theme song, "Tears of Pearl" (Encore 2016 Theme), is available on Spotify: bff6bb2d33
