Character sprites have plenty of texture and are a pleasure to look at." -Metroid PL "I really enjoy the Elden Ring. It has a unique art style that's very reminiscent of the Metal Gear Solid series. It's not quite a clone and not quite an original story, but it definitely has its own atmosphere and feel." -WeAreSokoban "The Elden Ring has the same unique feel as The Legend of Zelda: Breath of the Wild. The Americans trailed by 21 points at the half but outscored the Spaniards, 25-3, to win 99-82. "Obviously, this is a big, important win for us," said point guard Candace Parker, who finished with a game-high 20 points to go with seven rebounds. "Today was a lesson for us. We played better than we did in the semis (last week), and we won the game. It was good for us to get past the first game today." Alabama's Courtney Rowe, the daughter of WNBA center Sheryl Swoopes, and Angel McFarland, the daughter of former NBA point guard and current assistant coach Brian McPherson, paced the team in the victory. Rowe led all scorers with 18 points and McFarland recorded a double-double with 13 points and 10 rebounds. "I really couldn't ask for much more," said McFarland. "Everyone in the lineup was contributing. As a team we really turned it on in the second half, and we delivered. Our defense stepped up and that's what we needed.
