Should patent trolls vote? - JarekS ===== User001 I think the strong argument is, if they're giving money to political candidates, then they should have to put their money where their mouth is (votes). I mean, is it ethical to just wave your big "I have the money" flag to avoid any sort of accountability? I'm not saying they should be kicked off the electoral process, but whatever little legitimacy they may have lost, they should at least contribute something. ----- JarekS I'm sorry, I posted an article linked from the site, not the original one. Here's the latter: [patent-trolls-vote/ Kutná Hora News for Kutná Hora The Czech Republic has said that it will not negotiate with North Korea until the issue of former spy Pleun Jang-ho's release is resolved.
