

The reviews below are from other PHPBB forums, so the history is as close as you can get. The second channel for phpBB is at the phpBB.net support forum, where you can get help (free) for the phpBB software. If you want help with support for phpBB, you can go to our support forum at phpBB.net. Author: Sos Dev Posted: Nov 12th 2008, 07:13 AM Sos posted a comment on a thread about phpBB on phpBB.org The help forum is over at phpBB.net where you can get support for the software. Author: Dave Posted: Mar 3rd 2008, 01:50 PM If you need to ask a specific question, you can always ask it on the phpBB support forum on phpBB.net. When you have the answer, you can post the information here and the mods will make the edit. Author: Kaco Posted: Mar 3rd 2008, 05:54 PM What do you expect in a bb software? ;) This is phpBB.net, not phpBB.org and we don't do 99.99% of what you may (rightfully) expect from an phpBB forum. PHPBB has a support forum over at phpBB.net. phpBB-4.0.0 and phpBB-3.0.5 (beta only) have been released but you can't get them here on phpBB.org Author: Sos Dev Posted: Mar 3rd 2008, 06:53 PM Kaco posted a comment on a thread about phpBB on phpBB.org In regards to the phpBB forum, it was not a request for phpBB.com support. PHPBB has a support forum over at phpBB.net. Kaco posted a comment on a thread about phpBB on phpBB.org I believe I overstated my request. I did not ask for phpBB.net support; instead, I asked for support for the software running on phpBB.org. Kaco posted a comment on a thread about phpBB on phpBB.org It is the software running on phpBB.org, not the phpBB.net software. I assume the support for the phpBB.net software is limited and
